CALL FOR ABSTRACTS

Dear Colleagues,

After the great success of ICSM 2014, we are pleased to announce the second edition of International Conference on Soft Materials (ICSM 2016). On behalf of organizing committee, it is our pleasure to invite scientists, academicians, young researchers and students from all over the world to attend the ICSM 2016 in Pink City Jaipur. We are putting our efforts to bring together, once again, a multi-disciplinary group of scientists from all over the world to promote and enhance recent achievements in the field of soft materials. The exchange of knowledge and the discussions amongst participants will be favoured during the conference and related social events.

Looking forward to a professionally exhilarating and socially enjoyable another excellent event in Jaipur.

A heartily welcome!!

Organizing Committee, ICSM-2016
